Faculty of Media and Creative Arts

February 2, 2022

Dear Jenny Dcruz,

Congratulations on being named to the **Dean's List** for the Faculty of Media and Creative Arts for the Fall 2021 term. The Dean's List is for students who received a grade point average of 80% or above in the previous term. Attaining Honours standing demonstrates hard work and self-discipline, and your commitment to becoming a creative and thoughtful citizen who makes meaningful cultural contributions to the communities in which you live. You should take pride in this accomplishment and your success in the Web Development program.

Exceptionally high grades typically reflect not only strong academic achievement, but also a high degree of practical knowledge and the ability to apply it within your field of study. It is this element that will be critical for your continued success throughout this program, and after you graduate.

Both the faculty in the Web Development program and the administration of the Faculty of Media and Creative Arts are proud of your accomplishments and wish you continued success. You are a credit to yourself and Humber College.

Keep up the great work!

Sincerely,

Ahmed Raza Sagarwala
